

```
global::SystemData  
::TypedTableBase< Inspection  
_HistoryRow >
```

A diagram illustrating inheritance. A blue arrow points upwards from a grey box at the bottom to a white box at the top. The grey box contains the text 'AFH_Scheduler.HomeInspection' and 'DbDataSet.Inspection_HistoryDataTable'. The white box contains the text 'global::SystemData', '::TypedTableBase< Inspection', and '_HistoryRow >'.

```
AFH_Scheduler.HomeInspection  
DbDataSet.Inspection_HistoryDataTable
```
